

**EISHIN**

**Black Light**

**UV-LED  
Light**

**ZB-365J**

#### **Feature**

- **Pocketable Size UV-LED Black Light.**
- **Lightweight and Short Length (120g without battery, Length: 147mm).**
- **Adjustable lighting area, Wide to Spot.**
- **Attached Halation cut filter.**
- **Under the 10 Lux. (When distance 30mm)**
- **1 battery controlled**
- **Battery is with overcharge and a fault electric discharge protection circuit.**

## Specification

Power of battery	18650 Li-ion battery X 1 pc
UV LED	UV LED center 365(±5)nm
UV Power	Over 19,999 $\mu\text{W}/\text{cm}^2$ distance at 381mm When Max Wide, When Min Spot
Dimension	$\phi$ 34mm (head) $\phi$ 25mm (grip) × (L)147mm
Range of UV Power	Distance 381mm      Center UV Power 3,000 $\mu\text{W}/\text{cm}^2$ Distance of over 1000 $\mu\text{W}/\text{cm}^2$ 110mm
Operating Temperature	-10°C~50°C
Weight	About 120g (without battery)
Operating time at the time of battery use	Over 5 hours
Charge time	About 3.5~4 hours
Accessories	2 sets of battery, Case, Belt, Battery Charger
